## FOREWORD

The athletic program is an integral part of the total school experience for both boys and girls. It offers a variety of sports and activities to all students who have potential skill and the desire to participate. The policies, procedures, and regulations in this handbook are in compliance with school board policies and administrative procedures. They are designed to provide for successful experiences for students and the efficient operation of the athletic program. Cumberland County Athletes must act with pride and dignity at all times. The purpose of this handbook is to establish regulations and procedures to deal with violations that occur **ON OR OFF SCHOOL GROUNDS THROUGHOUT THE ENTIRE CALENDAR YEAR**. The handbook is designed to encourage athletes to make choices that ensure their health and safety, and provide appropriate consequences for students who violate the rules. You, the student athlete, are accountable and responsible for all policies contained within this handbook and for any additional ones that your respective coaches might add.

Cumberland County Schools believes good sportsmanship is an integral component of interscholastic competition. In order for good sportsmanship to prevail, coaches, student-athletes, and fans must display respect, fairness, civility, honesty and responsibility before, during and after all athletic contests. We encourage fans to enthusiastically support their team, recognize outstanding performance of opponents, and always exhibit good sportsmanship in their words and actions.

Cumberland County Schools has created the following criteria to govern transfers within the LEA:

- (2) A student assigned to an out of attendance area school due to parent request (Voluntary Transfer).
- (3) A student transferring from one out of attendance area school to another out of attendance area school.

Students who leave Cumberland County Schools for private schools are allowed to return one time and not lose athletic eligibility. Upon a second return will be required to sit 365 days

Students who early exit and return to their home school will be ineligible for athletics that school year. They will be reinstated after the one year academy commitment is up.

## **ATHLETIC CODE OF CONDUCT**

Participation in any athletic activity is an important part of the educational experience in the Cumberland County Schools. A primary goal of such activities is to teach students character and self-discipline skills that will enable them to develop to their highest potential. As role models for their peers and younger students, students who participate in athletic activities ("participating students") are held accountable for their actions at a higher standard than other students. Because of the public nature of the athletic programs sponsored by the Cumberland County Schools, participating students are expected to conduct themselves in a manner that will reflect the high standards and ideals of their school and community. The participating student athlete becomes subject to this Code of Conduct upon the student's signature and date on his/her Cumberland County High Schools Student-Athlete Eligibility and Permission Form and continues until graduation from high school. Participating student athletes are subject to this code at all times during the calendar year, including summer months, whether on or off campus. For summer month violations, any discipline or punishment imposed would go into effect at the next scheduled athletic activity by the student athlete. This Code of Conduct is, in addition to, any specific team/activity rules or regulations established by the individual programs.

## **\*1. DRUGS AND ALCOHOL**

The possession, use, distribution and/or sale of illegal or counterfeit drugs/alcohol, including possession of paraphernalia for ingestion of such substances by participating students is not acceptable and prohibited. If school officials receive credible evidence, such as a police report or criminal charges related to a drug or alcohol offense, or have a reasonable suspicion that a violation under this section has occurred, the school officials will investigate. If after investigation of the charges, school officials determine that the participating student committed the violation, he/she shall be subject to disciplinary action as outlined below.

Every effort will be made by the school and individual activity programs to make participating students aware of the detrimental effects of drugs and alcohol. Students and/or parents of students suspended under this section will receive information regarding counseling. Any participating student found in violation of this offense at any time while on any school premises, including activity buses or other school-approved transportation, will be subject to disciplinary action in accordance with the CCS Student Code of Conduct & the below consequences. All offenses occurring off campus will be determined as specified below:

**First Offense:** The principal will suspend the student athlete for a minimum of 20% of the next consecutive athletic/extra-curricular contests, not to include scrimmages. The suspension may require being served over two seasons if the incident occurs near the end of the first season. At the discretion of the principal in consultation with the athletic director and/or coach, the student athlete may practice with the team during this suspended time frame and/or be allowed to travel with the team, as well as on the sideline or bench with the team in *appropriate attire*.

With the first violation, the student athlete must be evaluated by a drug/alcohol counselor as recommended by the school, must comply with all recommendations and treatment programs, and must furnish a negative drug test (at the student athlete's cost) prior to resuming participation.

Additionally, the student athlete must agree to be drug tested for a period of 365 calendar days following the violation of the drug and alcohol policy.

He/she must agree to pay for any random drug tests selected by the school representatives.

**Second Offense:** The student athlete will be suspended from all athletic activities for a period of 365 calendar days from the first day of the offense. To be allowed to participate again, the student athlete must have completed an approved county counseling program on substance abuse.

**Third Offense:** The student athlete will be excluded from all athletic activities for the *remainder of his/her high school career* in the Cumberland County Schools.

**\*2. TOBACCO USE (Principal's decision is final)** Participating students found to have used tobacco while subject to this Code will be suspended from participation as outlined:

**First Offense:** The student athlete will be suspended for a minimum of **10% of the next consecutive athletic contests, not including scrimmages.** The suspension may require being served over two seasons if the incident occurs near the end of the first season. At the discretion of the head coach, the student athlete may practice with the team during this suspended time frame and be allowed to travel with the team. Also, at the head coach's discretion, the student athlete may be on the sideline or bench with the team *in appropriate attire.*

**Second Offense:** The student athlete will be suspended for a minimum of **20% of the next consecutive sports season games/contests, not including scrimmages.** The suspension may require being served over two seasons if the incident occurs near the end of the first season. At the discretion of the head coach, the student athlete may practice with the team during the suspended time frame and be allowed to travel with the team. Also, at the head coach's discretion, the student athlete may be on the sideline or bench with the team *in appropriate attire.*

**Third Offense:**

The principal will suspend the student athlete from all interscholastic activities for 45 days or the remainder of the season whichever comes first.

**\*NOTE: These rules are meant as minimum consequences. The principal, athletic director or coach has the discretion to increase the consequences as he/she feels is most beneficial to his/her athletic program or team.**

### **3. CRIMINAL CHARGES**

A participating student athlete charged with a criminal offense, misdemeanor or felony, other than a minor traffic offense, will be suspended from athletic participation until further review by the principal and director of student activities. A student convicted of a felony offense will be immediately suspended from all athletic participation according to the NCHSAA policy. The participating student athlete must inform his or her coach or appropriate staff of any criminal charges against them as soon as practicable, but no later than the student's next participation in any athletic event, to include practices, rehearsals, etc. Failure to do so may result in further disciplinary action.

#### **3b. DIVERSION PROGRAM**

Students charged with a criminal offense and referred to the Diversion Program & do not successfully complete the program shall be suspended in accordance with the Athletic Code of Conduct.

### **4. REVIEW PROCEDURE**

- i. A participating student may request a review of the disciplinary action involving items 1, 2, & 3 by providing written notice to the Superintendent or his designee within two (2) school days of the date of the Principal's notification to the student and/or parent. The notice shall state the reason for the review.
- ii. The Superintendent, or his designee, will review the record of the disciplinary action and issue a decision within five (5) school days of receipt of the request for review. The Superintendent or his designee will inform the student and parent of the decision of whether to uphold, modify, or overturn the disciplinary action. The decision of the Superintendent shall be final.

- iii. Any disciplinary action, including suspension from participation, will remain in effect during the review process.
- iv. Failure by the participating student to adhere to appeal content requirements and timelines as set forth will result in immediate dismissal of the appeal.

## **5. SCHOOL SUSPENSIONS**

- A. **In-School (full day or days) or (out of school) short-term (10 days or less)** – ineligible to participate in any athletic activity on the day(s) the student is serving suspension to include practice.
- B. **Out of School Long-Term (11 days or greater)** – ineligible to participate in any athletic activity for the remainder of semester or suspension period (whichever is greater).
- C. **Disciplinary assignment to alternative school or character academy** – ineligible to participate in any athletic activity for the remainder of semester or completion of assignment (whichever is greater).

## **6. INAPPROPRIATE BEHAVIOR**

A participating student athlete who engages in any conduct or behavior, which is inconsistent with the student's position as a role model or representative of the Cumberland County Schools, is subject to disciplinary action, including suspension as determined by the Principal. Coaches or school officials may also establish additional training regulations and rules of conduct. Inappropriate social media behavior falls within this category.

## **7. APPEALS**

The decision of the school principal is final for items 5 & 6 as it relates to athletic participation.

## **SPORTSMANSHIP**

As students and spectators, you represent your school and have an obligation to encourage the practice of good sportsmanship. Remember that the primary purpose of High School Athletics is to promote physical, mental, moral, social and emotional well-being of the players through the medium of contest. Be modest in victory and gracious in defeat. Students ejected must serve their suspension in their very next contest even if it extends into the next academic year. **Any parent(s) or spectator removed from the site of a contest due to poor sportsmanship or disruptive behavior can:**

1. Receive a letter of warning & must take and complete the Positive Sports Parenting course on the National Federation of High Schools website. The certificate received from the Positive Sports Parenting course should be submitted prior to returning to an athletic event to the Athletic Director of the school.
2. Not allowed to attend any additional school contests.
3. Banned from attending any Cumberland County Schools Athletic Events.

## **COLLEGE RECRUITMENT POLICY**

In the event an athlete should be contacted personally by a college recruiter, he or she has an obligation to work through his or her high school coach and athletic department. Inform your coach of such contact as soon as possible. In addition, it would be beneficial to the athlete to notify his/her school's guidance counselor to ensure proper academic eligibility requirements have been met.

### **Academic Standards for Initial-Eligibility**

#### **Academic Standards**

**The NCAA Eligibility Center verifies the academic and amateur status of all student-athletes who wish to compete in Division I or II athletics.**

**College-bound student-athletes who want to practice, compete and receive athletically related financial aid during their first year at a Division I or II school need to meet the following requirements:**

- **Graduate from high school.**
- **Complete a minimum of 16 core courses for Division I or II.**
- **Earn a minimum required grade-point average in core courses.**
- **Earn a qualifying test score on either the ACT or SAT.**
- **Request final amateurism certification from the NCAA Eligibility Center.**

**For Division I student-athletes who will enroll in August 1, 2016 and later, the requirements to compete in the first year will change. In addition to the above standards, students must:**

- **Earn at least a 2.3 grade-point average in core courses.**
- **Meet an increased sliding-scale standard (for example, an SAT score of 820 requires a 2.5 high school core course GPA)**
- **Successfully complete 10 of the 16 total required core courses before the start of their seventh semester in high school. Seven of the 10 courses must be successfully completed in English, math and science.**

**Students that earn at least a 2.0 GPA but not a 2.3 GPA and meet the current sliding scale standard (for example, an SAT score of 1,010 requires a 2.025 high school core course GPA) will be eligible for practice in the first term and athletically related financial aid the entire year, but not competition. Freshmen who are academically successful in the first term will earn the ability to continue to practice for the remainder of the year.**

**Division III colleges and universities set their own admission standards. The NCAA does not set initial eligibility requirements in Division III.**

**For more detail about academic requirements visit the [Eligibility Center](#).**
